Profile

A qualified steady individual with strong interpersonal entrepreneurial skills, prone to bring the appropriate face to a business by delivering premium class customer service. Could offer creative thinking outside of the box, within a team or individually, to the utmost satisfaction of relevant stakeholders, in line with the market realities and competitive strategy followed by  **UniCredit Bulbank** to mutual benefit of all parties concerned. Being well experienced in retail and information technology sectors, I consider myself properly suited to provide outstanding Corporate Banking Associate services in Burgas as a member of first rate financial institution.
